9 Steps to the Perfect Event Website

✓ **Dates Prominently Displayed:** Is the date easily viewable without scrolling down or any further clicking?

✓ **Speakers and Activities:** Are speakers and/or planned activities easy to find?

✓ **Address Prominently Displayed:** Is the address easily viewable without scrolling down or any further clicking?

✓ **Access to Schedule:** Is it easy to find the event schedule and understand how to use it?

✓ **Registration Information:** Can potential attendees learn how to register for the event?

✓ **Contact Information:** Is the organizers' contact information easy to find, including emails and phone numbers?

✓ **Past Event:** Is there information and/or media from last year's event?

✓ **Social Media Links:** Are links to the event's social media profiles prominently displayed?

✓ **Mobile Ready:** Is the website optimized for viewing on mobile devices?
